

# GEMS 2011 Godly Encouragement for Moms®

**The Third Saturday morning each month at 8:30—10:00 am**

GEMS is a ministry of Christian Family Heritage (CFH) and designed to encourage women in their roles as wives and mothers. It is to provide support and teaching for mom's in the raising of their children through the implementation of the materials from Growing Families International (GFI). It is a time to work with like-minded moms desiring to make Godly parenting a lifestyle. The monthly teachings are reflective of the materials studied through Growing Kid's God's Way and from the "Mom's Notes" by Nat'l Ministry Coordinators Joey and Carla Link. All discussions and teachings are from this perspective.
